

# Coronavirus Disease (COVID-19)

The Prince William  
Health District Call  
Center is now open.

(703) 872-7759

For questions related to COVID-19, the Prince William Health District has opened our **Call Center at (703) 872-7759**. Your health and safety are important to us and we want to make sure you have the information you need.

At this time, we are scaling back to only those services that are essential in order to focus our efforts on the COVID-19 response. If you have not heard from us and you have an appointment scheduled, please call before coming in. Call the office at (703) 792-6300 or (703) 792-7300.
