TOWN COUNCIL

Earnest W. Porta, Jr., Mayor Jenn Loges, Vice Mayor Cindy Fithian Eliot Perkins Nancy Freeborne Brinton Theo Daubresse

TOWN MANAGER Adam C. Linn, J.D.

TO: The Honorable Mayor and Town Council

FROM: Adam C. Linn, Town Manager

DATE: June 6, 2023

SUBJECT: Administrative Report

This is a monthly report to the Town Council that provides general information on departmental activities including administration, public safety, engineering, zoning and building, public works and events.

Administration

Coronavirus Updates - UPDATED: As of May 11, 2023 the Federal COVID-19 Public Health Emergency Declaration has ended. As of the date of this report, Prince William County's COVID-19 community level is LOW and the County COVID-19 Dashboard will soon be retired. Masking is optional for fully vaccinated individuals; unvaccinated and high-risk individuals are highly encouraged to wear masks in public indoor spaces. All individuals are advised to keep up to date on vaccines and to follow CDC guidelines if sick from or exposed to the virus.

ARPA (SLFRF) Update – UPDATED: The Town Council approved the Town's SLFRF Spending Plan during their July 19, 2022 meeting. The Spending Plan is available on the Town's website at www.occoquanva.gov/american-rescue-plan-act. An update and review of the Spending Plan occured at the March 7, 2023, Town Council Meeting. The revised plan has been integrated into the FY24 Capital Improvements Program Budget. As such, in FY24, Town staff will continue to update the Town Council on the SLFRF funded projects and solicit feedback but will no longer be seeking any approvals or appropriations of funds, unless changes are required.

SLFRF Spending Plan Projects:

Community Flood Preparedness Fund Grant Request – UPDATED: In April 2022, town staff prepared and submitted a grant application for the third round of the Virginia Community Flood Preparedness Fund administered by the Virginia Department of Conservation and Recreation (DCR). The grant request will fund the development of a Resilient Stormwater and Flood Management and Implementation Study. The study will evaluate the Town's stormwater and flood resilience and ultimately result in an actionable plan that when implemented, increase the town's overall resiliency and response to the impacts of climate change within the community and region. In January 2023, town staff received notification that the grant was awarded in the amount of \$84,902.50 with a total project cost of \$169,805 and a required match of 50% by the Town. Staff has received the grant award documents and executed a contract the consultant, Weston & Sampson. The study will take place throughout the remainder of the calendar year with multiple opportunities for staff and community engagement.

<u>Riverwalk Expansion Project – UPDATED:</u> At the September 20, 2022, meeting, Town Council set a not-to-exceed amount of \$41,000 SLFRF funding to support the Planning Commission on its Riverwalk

Visioning process. With the approval of Town Council, Town staff secured a contract with the Berkley Group. The Group has created an existing conditions map and created a first draft of a master vision plan. Town staff and Berkley Group representatives will hold a public input meeting on June 15th from 5-7 pm at Town Hall.

<u>River Mill Playground and Picnic Area – UPDATED:</u> Town staff is currently exploring equipment options that include soft play features with animals and nature-themed objects made out of sculpted and hardened foam. Staff is currently awaiting a proposal in the next two weeks from a potential vendor. Staff will give updates as the search progresses.

<u>Town Signage Updates - UPDATED:</u> Town staff has chosen a vendor for two welcome signs, a wayfinder at Mamie Davis Park, and an events kiosk at River Mill Park. Staff has reviewed the designs with the Architectural Review Board, received VDOT approval for a sign at Rt. 123 and Commerce Street, and is currently finalizing costs and designs with the vendor. Town staff has also received approval from VDOT to install new welcome signs for the Town's corporate limits. Install will occur in June. Part of the funding for these updates will also go towards a mural contest in May and June. For more information see the mural item at the end of this section

<u>Gaslight Conversion – UPDATED:</u> As a result of the cost of electrifying the gaslights and inconsistency in performance of solar replacement heads, staff is ordering direct gas flame heads to be installed on all gas lights in Town. Installation is expected to occur in June. The new direct flames will lower maintenance costs and save staff time. Over the long term, staff will continue to monitor advances in solar technology and advise Town Council of viable solutions. However, due to greater feasibility, gaslights in Mamie Davis Park will be fully electrified by early June 2023.

<u>Town Hall Energy and Ventilation Upgrades - UPDATED:</u> On April 15, 2023, Window Nation replaced the windows and front door of Town Hall with more energy efficient models (Low E, double-paned windows) that will reduce energy consumption and increase security. During the week of May 29th, Town staff also replaced the lights in Council Chambers with brighter, LED options.

<u>Stormwater Improvements:</u> On March 17th Town staff submitted an application to Congressperson Spanberger's office for the FY2023 Community Project Funding Program to fund remediation to the Town's stormwater system. Staff does not expect any updates on funding until Fall 2023.

Route 123 and Commerce Street Mural – UPDATED: Using funds for town signage and beautification, Town staff will be holding a mural design contest for a mural to be painted on the retaining wall at the intersection of Route 123 (Gordon Boulevard) and Commerce Street. The Town encourages local artists to apply until June 16th. For more information, please visit www.occoquanva.gov/public-art.

Other Projects: Further SLFRF funded projects were incorporated into the FY24 CIP Budget. As projects are implemented, more updates will follow.

Development Project Updates:

<u>The Mill at Occoquan – UPDATED:</u> The Mill at Occoquan project's site plan has been submitted and first round comments have been sent to the applicant. Approval of the floodplain study was provided by FEMA on November 4, 2022. The developer is currently starting the demolition permitting process and has submitted a revised site plan to the Town Engineer. The Town Engineer is currently reviewing the second submission and has referred it out to other relevant agencies with a 30 day deadline for comments.

<u>The Mill Street Beer Garden</u>: The developer has received a revised site plan approval and has completed the bond release process with the Town. The developer is currently finalizing occupancy with the County. No specific opening date has been provided.

More information on both projects can be found in the Engineering Section.

Signage Education and Code Updates - UPDATED: As part of zoning enforcement, staff has developed a handout highlighting the Town's sign ordinance, and mailed out a letter of renewed enforcement to all business and property owners in the business district. In light of feedback from town businesses, staff, and boards, Town Council is also considering amendments to the sign code at its June 6, 2023 meeting. Any changes will be updated on signage education literature. To review your current signage and ask any questions please email signpermits@occoquanva.gov. Staff will keep Town Council updated.

VDOT TAP Grant Project: In early May 2022, Town received notification that additional funding for the Transportation Alternatives Set-Aside Program was received through the federal infrastructure bill and that the Ellicott Street Sidewalk (Occoquan Greenway Connection) project was selected. This funding is available for fiscal years 2023-2024 and will be a coordination project with the Town, PWC Transportation and Parks Departments. The project includes trail installation on Union Street to connect a planned off-road trail section of the Occoquan Greenway Trail, sidewalk improvements along Ellicott Street, and construction of a sidewalk section between Poplar Alley and Mill Street along Ellicott Street. The Town Council adopted a resolution of support for the project at its September 21, 2021 meeting. Staff is waiting to receive start dates from the County. Updates will be available at www.occoquanva.gov/construction-updates.

VDOT Road Paving Update - UPDATED: Work concluded the week of July 31, 2022. During the week of February 6th, VDOT implemented a solution to the standing water at Mill Street and Washington Street that met with Prince William County approval. Town staff was advised that VDOT will not resurface the affected curb on Mill Street.

FY2023 Capital Projects: Updates on FY2023 capital projects will be available at www.occoquanva.gov/construction-updates.

Mill Street Water Issue: Town staff reinstalled the temporary pipe to direct water from the pipe at 426/430 Mill Street to the Ellicott Street stormwater inlet. The recrowning work completed by VDOT contractors in June along the section of Mill Street near the Ellicott Street intersection did not adequately address the longtime water flow issues in this area. As a result, water is continuing to flow across Mill Street instead of traveling along the curb line to the Ellicott Street inlet. Town staff is actively reviewing better temporary solutions as well as permanent solutions. Updates will be available at www.occoquanva.gov/construction-updates.

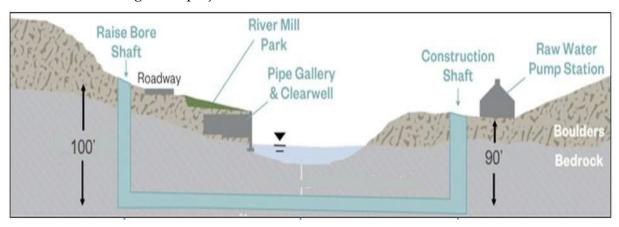

Block the Box: OPD is continuing its Don't Block the Box education and enforcement campaign during high traffic times at the intersection of Rt 123 and Commerce Street to improve compliance and educate drivers. Staff will continue to coordinate with VDOT and monitor this issue.

DEQ ARPA Wastewater Funds 2022 Appropriation - UPDATED: The Town received through the Department of Environmental Quality (DEQ) up to \$325,000 in ARPA funding for wastewater and stormwater remediation as a result of a funding request made by Mayor Porta in November 2021. Town staff submitted an initial program application on September 28, 2022, for part of the funding for storm water remediation through sediment removal from the Occoquan River in the areas of 101 Poplar Lane and Mill Street, Gaslight Landing (locations where stormwater has created significant sediment buildup). On November 4, 2022, Town staff submitted a revised application to include other related stormwater projects for the full \$325,000. As part of the DEQ stormwater remediation, Town also obtained an environmental endangered animal study update for the applicable area. The first component, dredging, was completed as of February 24, 2023. Staff is now working with DEQ to fund other stormwater related projects with the remainder of the \$325,000 grant and has met on site with potential contractors. Staff expects to receive quotes and send estimates to DEQ in early June.

Fairfax Water Construction: The boring project has begun, and the contractor has made improvements to the roadway and property to assist traffic flow. Completion of the project is expected by summer of

2024. Boring commenced outside the Fairfax Water pump station on the Fairfax side of the Occoquan River and work to prepare for rerouting of water during shut downs on the Prince William side is underway. The contractor began blasting on April 26th and continued blasting events are expected over the next several months. Short periods (approximately 15-20 minutes) of closure of the access road to the raw water pump station, foot bridge, and River Mill Park are expected to occur during the period of blasting. The blasting is minimal, with minimal disruption to Town. Staff is working with Fairfax Water Authority's project manager to provide notice to residents and visitors. To stay up to date on blastings, please sign up for AlertOccoquan at: www.occoquanva.gov/living-here/alertoccoquan.

Below is a rendering of the project:

Property Maintenance Enforcement - UPDATED: Town staff is working with the Prince William County Neighborhood Services Division, who handles the County's Property Maintenance Code Enforcement, on taking over the review and enforcement of the Town's property maintenance code. At the February 7th meeting, the Town Council passed a resolution requesting the County's takeover of enforcement. At the May 7th meeting, the Prince William Board of Supervisors approved the request. County and Town staff are currently working to finalize an agreement ahead of a July 1st, 2023 start date for enforcement.

FY24 Annual Budget and Tax Rates Adopted - UPDATED: A hearing on the FY24 Annual Budget took place on May 2, 2023, at the Occoquan Town Hall. Subsequently, a hearing on the tax rates in support of the FY24 Annual Budget took place on May 16, 2023, at the Occoquan Town Hall. Following the May 16th hearing, the Town Council approved and adopted the budget and tax rates, effective July 2023. 1, More information the FY24 Annual Budget be found on can www.occoquanva.gov/government/budget.

Post Office Structural Damage - UPDATED: On April 14, 2023, the Occoquan Post Office sustained structural damage due to a vehicle crash. Town staff has provided assistance to the Post Office and set up temporary barricades around the accident site. Construction to repair the wall is expected in June.

Parking Facility RFI – UPDATED: On April 12, 2023, Town staff closed the RFI for a multilevel parking facility. Town staff received and reviewed a number of responses and is working with Town Council and respondents as it plans next steps. Town Council also directed Town staff to explore and estimate costs for alternative parking and shuttle options.

VDOT ADA Ramp Improvements - NEW: On May 16, 2023, Town staff met with VDOT representatives to discuss the install of ADA accessible ramps at the intersections of Washington and Commerce, Ellicott and Commerce, and the Mill Street Cul-de-sac. After review by staff, it was decided to address the ADA ramp installs in VDOT's next contract in the 12-24 months.

Crosswalk Safety Project - NEW: On May 31, 2023, Town staff meet with VDOT engineers and staff from Prince William County Department of Transportation regarding crosswalk safety of the

Washington Street Crosswalk between E. Locust Street and Edge Hill Drive. Town staff were requesting the use of flashing beacons (RRFB) to help illuminate the crosswalk to drivers. Engineers advised that that use of RRFB may provide a false sense of security and are high maintenance. Town staff, VDOT engineers and PWCDOT recommended: (1) the addition of a streetlight near the crosswalk and changing of old streetlight heads to newer LED which would enhance the visibility at dusk/dawn for pedestrians and drivers (PWCDOT agreed to take the lead on this immediate solution); (2) a PWCDOT study to see if a speed reducing feature such as a chicane, chocker, or perhaps a mini roundabout could be installed at the adjacent intersection; and (3) the extension of the sidewalk across the undeveloped frontage and the removal of the mid-block crosswalk to be funded under the County's Safe Sidewalk grant.

Eagle Scout Project in River Mill Park - NEW: Throughout the month of May, Town staff has been coordinating with an Eagle Scout to install two new sets of concrete pads and benches (donated by a local non-profit) in River Mill Park. The project is underway and expected to be done in early June.

Town Hall Brick Sidewalk Improvements – NEW: During the week of May 22nd, contractors remortared the main entrance sidewalk to Town Hall. A local artist restored the bicentennial logo and other art installed on the bricks ahead of Riverfest.

The Building Official monthly report provided by Prince William County for the month of May is attached.

Public Safety

Mission:

The mission of the Occoquan Police Department (OPD) is to: protect the lives and property of our residents, visitors, and businesses; to reduce the incidence and fear of crime; and to enhance the public safety of our historic waterfront community. To that end, we will hire and maintain a professional staff who through education, mentoring, and community policing will maintain a supportive partnership between our community and this Department. We will respect the rights and dignity of all people and always remain approachable and professional.

Monthly Departmental Goals:

- Goal 1: Provide for the public safety of the persons and property of the residents, businesses, and visitors of the Town of Occoquan.
- Goal 2: Promote a professional and accountable police department.
- Goal 3: Promote safe pedestrian and vehicular traffic within the Town of Occoquan.
- Goal 4: Prepare for and respond to all threats and hazards facing the Town of Occoquan.

OPD Division Reports:

Professional Standards Division

The Professional Standards Division (PSD) is responsible for internal affair investigations, criminal investigations, and background investigations. Additionally, the OPD Training Unit is housed within the PSD and is responsible for identifying training needs, designing, and implementing training for OPD Officers.

The OPD did not receive any complaints against officers within the Department during the month of May.

The OPD continued to participate in the George Mason University's (GMU) monthly legal training for Law Enforcement Officers within the Northern Virginia Region.

The OPD sent one of its Officers to the Virginia Breath Alcohol Operator course which aids in their skillset of DUI enforcement as well as certifies them in using the approved breath test device, the Intox EC/IR II.

The OPD Special Operations Teams completed monthly training for UAS and Marine Patrols. With the incorporation on a new vessel, Marine Patrol Officers spent time familiarizing themselves with the new vessel to include its equipment and trained on life

saving procedures while operating the vessel.

All Town Staff, including OPD Officers, were required to complete cybersecurity awareness training this month. This aids with the development and implementation of the Town's cybersecurity strategy.

The OPD graduated 5 new officers from its DCJS Level II Auxiliary academy. These officers will immediately begin their FTO phase with other OPD Officers.

Field Operations Division

The Field Operations Division (FOD) is responsible for day-to-day operations throughout the Town.

Officers engaged in foot patrols throughout the residential district, historic district, and the Town Riverwalk. Officers supported the monthly trivia night and Memorial Day - holiday weekend

Officers continued enhanced speed enforcement on Route 123, Washington Street, and Union Street/Tanyard Hill Road to continue to reduce crashes and promote safe vehicular and pedestrian traffic movement.

Officers continued to use DMV Grant enforcement monies to reduce crashes and promote safe vehicular and pedestrian traffic movement within the Town as well as in support of safer roads within Fairfax and Prince William Counties.

Special Operations Division

The Special Operations Division (SOD) consists of OPD Officers who have a dual role within the FOD. The SOD consists of Auxiliary Patrol Officers, Parking Enforcement Officers, the Homeland Security and Emergency Management (HSEM) Unit, Marine Patrol Unit, Bicycle Patrol Unit and UTV Patrol Unit.

The HSEM Unit completed its yearly review of the Town's Traffic Incident Management Plan, Evacuation Plan and Severe Weather Plans.

The OPD participated in the monthly Northern Virginia Emergency Response (NVERS) UAS, Intelligence, and Hight Threat Response committees.

The OPD continues to work closely with Fairfax Water Authority staff on the new pipe river crossing project ensuring that plans are in place for safety and security during the blasting operations.

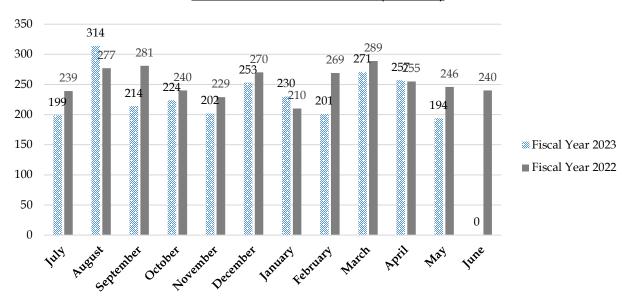

The OPD deployed two camera trailers in high pedestrian areas to help Officers see potential crime and hazards in those areas and address them before they become issues. These trailers will be moved around the Town and deployed as needed in the future.

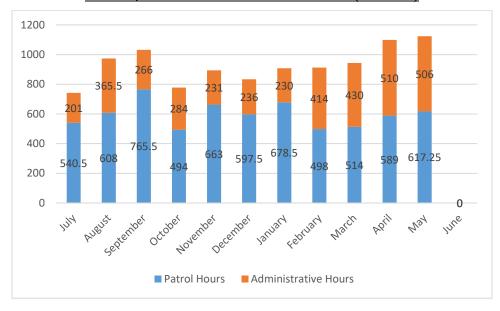

Patrol and Enforcement Activities:

As of May 29th, the Town Police made 104 business checks and 165 park checks. The Town Police also had 125 calls for service, with 16 trespassing calls, 13 disabled vehicles/motorist assist calls, 11 illegal fishing call, 9 suspicious person/vehicle/circumstance calls, 9 medical/mental health calls, 8 vehicle crashes, 3 disorderly calls, 3 larceny/theft calls, 2 parking complaints/towing calls, 2 gun/brandishing calls, 2 attempted suicide calls, 2 fire calls, 2 lost/found property call, 2 traffic control calls, 2 alarm calls, 1 DUI arrests, 1 stalking call, 1 roadway obstruction call, 1 animal calls, 1 domestic in progress call, 1 drug complaint call, 1 burglary call, 1 noise complaint call, 1 warrant service, 1 vandalism call, multiple service/assist calls, and made 2 custodial arrests, issued 194 traffic summonses, 43 parking violations, and 37 warnings.

Town Attorney Report

To: Mayor and Council, Town of Occoquan

Thru: Adam Linn, Town Manager

From: Martin Crim, Town Attorney

Re: June 2023 Town Attorney Report

Date: May 26, 2023

NOT CONFIDENTIAL

This is a report on non-confidential matters that my office has been working on for the Town since my previous report dated April 27, 2023:

- 1. Assisted with drafting zoning amendments and advised the Town Planning Commission regarding them.
- 2. Advised staff regarding issue of parking spaces at Townes of Occoquan.
- 3. Advised staff as to police boat lease.
- 4. Reached out to County Attorney regarding property maintenance code enforcement.
- 5. Advised as to state code changes governing virtual meetings by elected bodies.
- 6. Consulted with the mayor regarding possible noise ordinance amendments.
- 7. Worked with staff for continuity of prosecution during my transition to Sands Anderson.
