TOWN COUNCIL

Earnest W. Porta, Jr., Mayor Jenn Loges, Vice Mayor Cindy Fithian Eliot Perkins Nancy Freeborne Brinton Theo Daubresse

TOWN MANAGER Adam C. Linn, J.D.

TO: The Honorable Mayor and Town Council

FROM: Adam C. Linn, Town Manager

DATE: March 31, 2023

SUBJECT: Administrative Report

This is a monthly report to the Town Council that provides general information on departmental activities including administration, public safety, engineering, zoning and building, public works and events.

Administration

- Coronavirus Updates: As of the date of this report, Prince William County's COVID-19 community level is LOW. This is based on the revised guidance issued by CDC in February 2022 on how localities can assess COVID-19 related risk within their communities. The optional masking policy remains in place for town facilities: masking is optional for fully vaccinated individuals; unvaccinated and high-risk individuals should continue to wear masks in public indoor spaces. Staff continues to closely monitor information from the CDC and local health and government authorities to guide decisions about Town activities and policies.
- ARPA (SLFRF) Update: The Town Council approved the Town's SLFRF Spending Plan during their July 19, 2022 meeting. The Spending Plan is available on the Town's website at www.occoquanva.gov/american-rescue-plan-act. The Spending Plan identifies four funding groups: Infrastructure Parks and Public Spaces; Infrastructure Energy Efficiencies and Building Upgrades; Infrastructure Stormwater; and Administrative. Each funding group includes a list of potential uses. Staff will bring the projects to the Town Council as they are refined for final approval and appropriation. An update and review of the Spending Plan will occur at the March 7, 2023, Town Council Meeting.

SLFRF Spending Plan Projects - UPDATED:

Community Flood Preparedness Fund Grant Request: In April, town staff prepared and submitted a grant application for the third round of the Virginia Community Flood Preparedness Fund administered by the Virginia Department of Conservation and Recreation (DCR). The grant request is for \$127,353 to fund the development of a Resilient Stormwater and Flood Management and Implementation Plan. The plan will evaluate the Town's stormwater and flood resilience and ultimately result in an actionable plan that when implemented, increase the town's overall resiliency and response to the impacts of climate change within the community and region. Town staff received feedback on September 28, 2022, and supplied more information for the grant determination October 2022. Updates will be available on 14, www.occoquanva.gov/construction-updates.In January, town staff received notification that the grant was awarded in the amount of \$84,902.50 with a total project cost of \$169,805 and a required match of 50% by the Town. Staff has received the grant

award documents and have set up a kickoff meeting to discuss the scope of work.

- Riverwalk Expansion Project: At the September 20, 2022, meeting, Town Council set a not-to-exceed amount of \$41,000 SLFRF funding to support the Planning Commission on its Riverwalk Visioning process. With the approval of Town Council, Town staff secured a contract with the Berkley Group. The kickoff meeting occurred on Thursday, October 27, 2022, a site tour and Riverwalk Visioning Workshop occurred on Monday, January 23rd, 2023. The Berkley Group provided a summary document to Town based off public input from the Workshop. The Group is currently drafting an existing conditions map and starting on the master plan process. A draft plan and further opportunities for public input are expected in April 2023.
- o <u>River Mill Playground and Picnic Area:</u> Town staff is currently exploring equipment options that include soft play features with animals and nature-themed objects made out of sculpted and hardened foam. Staff will give updates as the search progresses.
- Town Signage Updates: Town staff is currently identifying and cataloging signs for repair and replacement and coordinating designs with a local vendor as they craft a signage update plan. Town staff has chosen a vendor for two welcome signs, a wayfinder at Mamie Davis Park, and an events kiosk at River Mil Park. Staff has reviewed the designs with the Architectural Review Board.
- O Gaslight Conversion: As a result of the overwhelming cost of electrifying the gaslights and inconsistency in performance of solar replacement heads, staff is ordering direct gas flame heads to be installed on all gas lights in Town. Installation is expected to occur in April. Town staff is proposing to donate one of the test solar street light heads to address the light issue at West Locust Street. The new direct flames will lower maintenance costs and save staff time.
- O Town Hall Energy and Ventilation Upgrades: Town staff has contracted with Window Nation to replace the windows and front door of Town Hall with more energy efficient models, such as Low E, double-paned windows, that will reduce energy consumption and increase security. Installation is expected in mid-April. Town staff is also working with a local contractor to replace the lights.
- Stormwater Improvements: On March 17th Town staff submitted an application to Congressperson Spanberger's office for the FY2023 Community Project Funding Program to fund remediation to the Town's stormwater system.
- Other Projects: Town staff is actively working on estimates for further SLFRF funded projects.

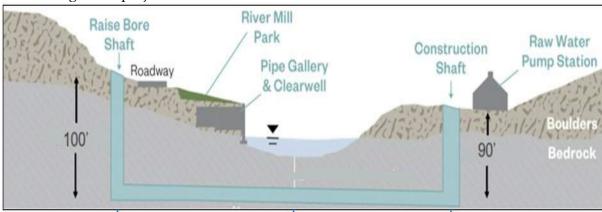

Development Project Updates - UPDATED:

- The Mill at Occoquan: The Mill at Occoquan project's site plan has been submitted and first round comments have been sent to the applicant. Approval of the floodplain study was provided by FEMA on November 4, 2022. The developer is currently starting the demolition permitting process. The Town has entered an Memorandum of Understanding with the applicant to place non-verbiage public art in front of the site to replace the old deteriorating public art banners. Signage on the property will be installed in April.
- The Mill Street Beer Garden: The Mill Street Beer Garden project has received a revised site plan approval and the developer has initiated the bond release process. No opening date has been provided.
- More information on both projects can be found in the Engineering Section.
- **Signage Education UPDATED:** As part of zoning enforcement, staff has developed a handout highlighting the Town's sign ordinance, available to all businesses and property owners within the B-1 district. On December 21, 2022, Town staff sent business and property owners in the

business district notice of renewed sign enforcement starting February 2023 and asked all sign owners to review their signage and bring any noncomplying signs into compliance. As of February 1, 2023, staff has started reviewing cases and preparing violation notices. The first round of notices was sent out to non-complying sign owners in mid-March. To review your current signage and ask any questions please email signpermits@occoquanva.gov. Staff will keep Town Council updated.

- **VDOT TAP Grant Project:** In early May, Town received notification that additional funding for the Transportation Alternatives Set-Aside Program was received through the federal infrastructure bill and that the Ellicott Street Sidewalk (Occoquan Greenway Connection) project was selected. This funding is available for fiscal years 2023-2024 and will be a coordination project with the Town, PWC Transportation and Parks Departments. The project includes trail installation on Union Street to connect a planned off-road trail section of the Occoquan Greenway Trail, sidewalk improvements along Ellicott Street, and construction of a sidewalk section between Poplar Alley and Mill Street along Ellicott Street. The Town Council adopted a resolution of support for the project at its September 21, 2021 meeting. Staff is waiting receive start dates from the County. Updates will be available www.occoquanva.gov/construction-updates.
- **VDOT Road Paving Update:** Work concluded the week of July 31, 2022. During the week of February 6th, VDOT implemented a solution to the standing water at Mill Street and Washington Street that met with Prince William County approval. Town staff is waiting on VDOT and its contractor to resolve the remaining item of resurfacing curbs on Mill Street. Staff is still waiting for a response on the resurfacing from VDOT.
- **FY2023 Capital Projects:** Updates on FY2023 capital projects will be available at www.occoquanva.gov/construction-updates.
- Mill Street Water Issue: Town staff reinstalled the temporary pipe to direct water from the pipe at 426/430 Mill Street to the Ellicott Street stormwater inlet. The recrowning work completed by VDOT contractors in June along the section of Mill Street near the Ellicott Street intersection did not adequately address the longtime water flow issues in this area. As a result, water is continuing to flow across Mill Street instead of traveling along the curb line to the Ellicott Street inlet. Town staff is actively reviewing better temporary solutions as well as permanent solutions. Updates will be available at www.occoquanva.gov/construction-updates.
- Block the Box: OPD is continuing its Don't Block the Box education and enforcement campaign
 during high traffic times at the intersection of Rt 123 and Commerce Street to improve
 compliance and educate drivers. Staff will continue to coordinate with VDOT and monitor this
 issue.
- DEQ ARPA Wastewater Funds 2022 Appropriation UPDATED: The Town received through the Department of Environmental Quality (DEQ) up to \$325,000 in ARPA funding for wastewater and stormwater remediation as a result of a funding request made by Mayor Porta in November 2021. Town staff submitted an initial program application on September 28, 2022, for part of the funding for storm water remediation through sediment removal from the Occoquan River in the areas of 101 Poplar Lane and Mill Street, Gaslight Landing (locations where stormwater has created significant sediment buildup). On November 4, 2022, based on comments and recommendations from DEQ, Town staff submitted a revised application to include other related stormwater projects for the full \$325,000. As part of the DEQ stormwater remediation, Town also obtained an environmental endangered animal study update for the applicable area. The first component, dredging, was completed on January 20, 2023. As of February 24, 2023, the dredging component is completed with the post-dredging bathymetric survey executed and referred to the proper authorities. Staff is now working with DEQ to fund other stormwater related projects with the remainder of the \$325,000 grant and is seeking quotes from potential contractors. Staff will provide updates as we move through this process.

• Fairfax Water Construction - UPDATED: The boring project has begun, and the contractor has made improvements to the roadway and property to assist traffic flow. Completion of the project is expected by summer of 2024. Boring commenced outside the Fairfax Water pump station on the Fairfax side of the Occoquan River and work to prepare for rerouting of water during shut downs on the Prince William side is underway. Garney Construction has replaced pipe near the wash water site on the south side of the river and has switched over the 3 homes on Union/Tanyard Hill Rd. The contractor is expected to begin blasting on or about April 10th. Short periods (approximately 15-20 minutes) of closure of the access road to the raw water pump station, foot bridge, and River Mill Park are expected to occur during the period of blasting. The blasting is minimal, with minimal disruption to Town. Staff is working with Fairfax Water Authority's project manager to provide notice to residents and visitors. Below is a rendering of the project

- **Property Maintenance Enforcement:** Town staff is working with the Prince William County Neighborhood Services Division, who handles the County's Property Maintenance Code Enforcement, on taking over the review and enforcement of the Town's property maintenance code. At the February 7th meeting, the Town Council passed a resolution requesting the County's takeover of enforcement. The Town is awaiting action by the Prince William Board of Supervisors.
- **Zoning Map Amendments UPDATED:** On February 7, 2023, Town Council held a public hearing on and approved zoning map amendments to rezone residential (R-1) properties between Commerce Street and Poplar Alley to business (B-1) uses. The Council tabled action on the properties at Myrtle Place and McKenzie Drive until the March 7th meeting. On March 7th, Town Council approved zoning map amendments to rezone the properties at Myrtle Place as R-3. A new zoning map is currently being developed for the Town website. The agenda and draft ordinances are available at: www.occoquanva.gov/government/agendas-and-minutes/
- Trowel Garden Club Project: On February 9 2023, Town staff met with the Trowel Garden Club about landscaping projects at the corner of Commerce and Washington Streets. Town staff has accepted the club's proposal and will work with the landscaping contracting to install a new bed of flowers in mid-April.
- **Mamie Davis Park Fence NEW:** On March 27th a new wooden fence was installed at Mamie Davis Park. The new fence is 8 feet in height, doubling the height of the original fence.

Public Safety

Departmental Goals

- Goal 1: Provide for the public safety of the persons and property of the residents, businesses, and visitors of the Town of Occoquan.
- Goal 2: Promote a professional and accountable police department.
- Goal 3: Promote safe roads and sidewalks in the Town of Occoquan.

Mission Statement

The mission of the Occoquan Police Department (OPD) is to: protect the lives and property of our residents, visitors, and businesses; to reduce the incidence and fear of crime; and to enhance the public safety of our historic waterfront community. To that end, we will hire and maintain a professional staff who through education, mentoring, and community policing will maintain a supportive partnership between our community and this Department. We will respect the rights and dignity of all people and always remain approachable and professional.

Current Initiatives

Continued patrol and business coverage in town. Continued community policing and safe sidewalks. Continued speed enforcement on Route 123, Washington Street, and Union Street/Tanyard Hill Road. Continued DMV selective enforcement grants to address impaired driving, reduce accidents, and increase pedestrian safety. Business check notification continued with officers leaving property check stickers on businesses checked after hours. Parking enforcement has increased with complaints of illegally parked vehicles. Level 2 Auxiliary Police Academy continues and is expected to finish in April 2023.

Community Relations

Engaged in foot patrols throughout historic district and Town riverwalk. Under the new Business Property Check initiative, as of March 26th, officers made 128 businesses checks during the month. Officers spoke with business owners and residents throughout the month.

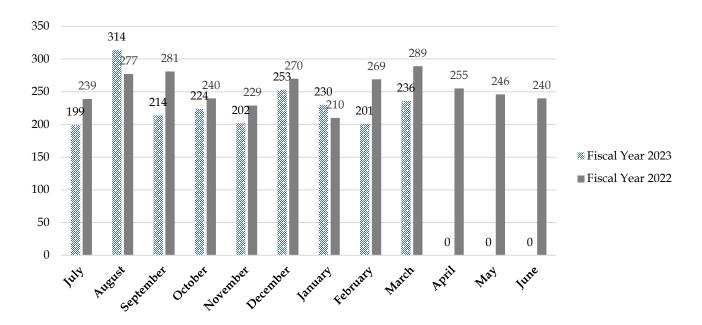

As part of a new initiative, the police department's Professional Standards Division is releasing monthly complaint reporting. For the month of March, there were no complaints received against officers.

Officers received legal update training through a mutual agreement with George Mason University Police Department.

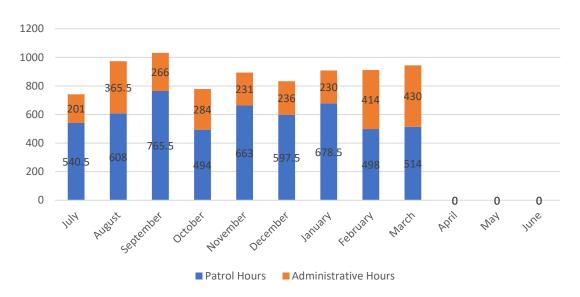

Patrol and Enforcement Activities

As of March 26th, the Town Police made 128 business checks and 150 park checks. The Town Police also had 110 calls for service, with 19 suspicious person/vehicle/circumstance calls, 11 vehicle crashes, 10 disabled vehicles/motorist assist calls, 9 trespassing calls, 8 parking complaints/towing calls, 5 welfare check calls, 4 domestic in progress calls, 3 hit and run calls, 3 illegal fishing call, 3 theft calls, 2 roadway obstruction call, 2 medical/mental health calls, 1 assault & battery call, 1 lost/found property call, 1 burglary in progress call, 1 attempted suicide call, 1 traffic control call, 1 vandalism call, 1 illegal solicitation call, 1 drug complaint, multiple service/assist calls, and made 3 custodial arrests, issued 236 traffic summonses, 112 parking violations, and 31 warnings.

Events and Community Development

- Community Partnership Breakfast: The initiative on March 14, 2023 succeeded in bringing over 30 business owners from and around Occoquan to Town Hall to network. Mayor Porta outlined new strategies and opportunities available in partnership and event sponsorship. Staff is currently pursuing connections made at the event. As a result of the breakfast, staff also has met with the team at the Workhouse Arts Center and is working with their team to develop one or more events that will encompass the entire NOVA Arts & Cultural District.
- Peep Week, April 4-8: Visitors may stroll through historic Occoquan and vote for their favorite Peeps dioramas, made by and displayed at Occoquan businesses. For the 6th year, the community is invited to participate. Voters may enter to win \$100 in Occoquan gift cards. Community registrants may enter in one of four categories: Individual, Family/Team, Youth (ages 12-16), Kids (12 and under). Entries may be dropped off at Town Hall by April 3, 2023. Visitors will vote on these and the business-made dioramas throughout Peep Week, April 4-8. More information, including rules and registration for the community entries can be found at visitoccoquanva.com/peeps
- **FOTO Clean Up:** This spring's Friends of the Occoquan River Clean Up is April 15 from 9 am to 12 noon. Volunteers will meet at Town Hall to collect supplies.
- **Visit Occoquan:** Town staff is working with current leadership of the Occoquan Business Partners to develop Visit Occoquan into a non-profit, Virginia Mainstreet affiliate to focus on tourism and economic development in the town. Planning for the non-profit is underway with a goal to be functional by the beginning of FY24.
- RiverFest 2023: Planning continues for an enhanced festival event on June 3 and 4, 2023. Initial plans include 200+ artist and creator booths; new food options; Conservation Alley with many conservancy focused vendors, our Junior Passport program and other family-friendly nature programs; a beer garden and concerts in River Mill Park; and the Whatever Floats Your Boat Parade on the river on Sunday. Other initiatives will depend on external funding or in-kind sponsorships.

Thru: Adam Linn, Town Manager

From: Martin Crim, Town Attorney

Re: April 2023 Town Attorney Report

Date: March 30, 2023

NOT CONFIDENTIAL

This is a report on non-confidential matters that my office has been working on for the Town since my previous report dated March 3, 2023:

- 1. Advised staff with regard to Mill at Occoquan development process.
- 2. Approved a contract for elevator/lift inspection.
- 3. Worked with the Town Manager to update the budget and tax rate adoption calendar.
- 4. Advised as to possible location of Electric Vehicle charging stations.
- 5. Reviewed and revised Notices of Violations for sign code violations.
- 6. Advised staff with regard to the impact of *Berry v. Board of Supervisors*, the Virginia Supreme Court case that struck down the Fairfax zoning code due to a FOIA violation.
- 7. Reviewed and approved a Memorandum of Understanding for public art on Mill St.
- 8. Reviewed and revised a draft ordinance to change the due date for local taxes.
