TO: The Honorable Mayor and Town Council

FROM: Adam C. Linn, Town Manager

DATE: March 3, 2023

SUBJECT: Administrative Report

This is a monthly report to the Town Council that provides general information on departmental activities including administration, public safety, engineering, zoning and building, public works and events.

Administration

- **Coronavirus Updates:** As of the date of this report, Prince William County's COVID-19 community level is LOW. This is based on the revised guidance issued by CDC in February 2022 on how localities can assess COVID-19 related risk within their communities. The optional masking policy remains in place for town facilities: masking is optional for fully vaccinated individuals; unvaccinated and high-risk individuals should continue to wear masks in public indoor spaces. Staff continues to closely monitor information from the CDC and local health and government authorities to guide decisions about Town activities and policies.
- ARPA (SLFRF) Update: The Town Council approved the Town's SLFRF Spending Plan during their July 19, 2022 meeting. The Spending Plan is available on the Town's website at <u>www.occoquanva.gov/american-rescue-plan-act</u>. The Spending Plan identifies four funding groups: Infrastructure Parks and Public Spaces; Infrastructure Energy Efficiencies and Building Upgrades; Infrastructure Stormwater; and Administrative. Each funding group includes a list of potential uses. Staff will bring the projects to the Town Council as they are refined for final approval and appropriation. An update and review of the Spending Plan will occur at the March 7, 2023 Town Council Meeting.
- SLFRF Spending Plan Projects UPDATED:
 - Community Flood Preparedness Fund Grant Request: In April, town staff prepared and 0 submitted a grant application for the third round of the Virginia Community Flood Preparedness Fund administered by the Virginia Department of Conservation and Recreation (DCR). The grant request is for \$127,353 to fund the development of a Resilient Stormwater and Flood Management and Implementation Plan. The plan will evaluate the Town's stormwater and flood resilience and ultimately result in an actionable plan that when implemented, increase the town's overall resiliency and response to the impacts of climate change within the community and region. Town staff received feedback on September 28, 2022, and supplied more information for the grant determination October 2022. Updates will be available on 14, at www.occoquanva.gov/construction-updates.In January, staff town received notification that the grant was awarded in the amount of \$84,902.50 with a total project cost of \$169,805 and a required match of 50% by the Town.

- <u>McKenzie Sidewalk:</u> Town Council approved the McKenzie Drive Sidewalk project (Infrastructure – Parks and Public Spaces) at the August 2, 2022, meeting and authorized a not-to-exceed limit of \$158,000 on October 18, 2022. Town Council then raised the budget to \$165,000 with the CIP-SLFRF budget amendment passed on January 17, 2023. Construction began on November 29th and was completed with the install of a railing on January 20th. Town staff performed a walk-through on February 8, 2023 and approved the final product. This project is now completed and fully expended.
- <u>Riverwalk Expansion Project</u>: At the September 20, 2022, meeting, Town Council set a not-to-exceed amount of \$41,000 SLFRF funding to support the Planning Commission on its Riverwalk Visioning process. With the approval of Town Council, Town staff secured a contract with the Berkley Group. The kickoff meeting occurred on Thursday, October 27, 2022, a site tour and Riverwalk Visioning Workshop occurred on Monday, January 23rd, 2023. The Berkley Group provided a summary document to Town based off public input from the Workshop. The Group is currently drafting an existing conditions map and starting on the master plan process. The Group, at the request of the Planning Commission, has also submitted a proposal for including the north bank of the Occoquan River into the planning process. Town staff has submitted the item for Town Council review. A draft plan and further opportunities for public input are expected in April 2023.
- <u>River Mill Playground and Picnic Area:</u> Town staff is currently exploring equipment options and will update Town Council as the search progresses.
- <u>Town Signage Updates</u>: Town staff is currently identifying and cataloging signs for repair and replacement and coordinating designs with a local vendor as they craft a signage update plan. Town staff is reviewing proposals from two vendors for two welcome signs and a wayfinder at Mamie Davis Park and securing the proper permits. Staff will present the proposals to Town Council at the March 7, 2023 meeting. Staff is still waiting on renditions of the new signs and will provide them to Council upon receipt.

<u>Solar Streetlight Pilot</u>: In early January, Town staff installed the second light fixture for the solar streetlight pilot. There are now two solar streetlights, one at the intersection of Ellicott and Mill Streets and one in front of 404 Mill Street. As noted in the January Administrative Report, survey respondents supported the move away from gas and, between the two options, preferred the larger one, while the reliability of the lights was an issue, especially for the larger fixture situated in a shaded area on Mill Street. New survey responses and continued observation of the lights have not significantly changed those results. Town staff will provide updates as the pilot progresses and present to Town Council at the March 7, 2023 meeting. Share your feedback on the solar lights at: https://www.occoquanva.gov/solar

- <u>Town Hall Energy and Ventilation Upgrades</u>: Town staff contracted with Walker HVAC to install a new high efficiency, heat pump-powered HVAC system for Town Hall. Install was completed on February 21, 2023. Town staff has also contracted with Window Nation to replace the windows and front door of Town Hall with more energy efficient models, such as Low E, double-paned windows, that will reduce energy consumption and increase security. Install is expected in mid-April.
- <u>Other Projects</u>: Staff is actively working on estimates for further SLFRF funded projects.
- Development Project Updates UPDATED:
 - <u>The Mill at Occoquan</u>: The Mill at Occoquan project's site plan has been submitted and first round comments have been sent to the applicant. Approval of the floodplain study was provided by FEMA on November 4, 2022. The developer has advised that

demolition is expected in March 2023 and will meet with Town staff during the week of March 5th to confirm demolition logistics. Signage on the property will be installed in the coming months.

- <u>The Mill Street Beer Garden</u>: The Mill Street Beer Garden project is pending a revised site plan containing field changes approval. The applicants submitted a revised site plan which is under review. No opening date has been provided.
- More information on both projects can be found in the Engineering Section.
- Signage Education UPDATED: As part of zoning enforcement, staff has developed a handout highlighting the Town's sign ordinance, available to all businesses and property owners within the B-1 district. On December 21, 2022, Town staff sent business and property owners in the business district notice of renewed sign enforcement starting February 2023 and asked all sign owners to review their signage and bring any noncomplying signs into compliance. As of February 1, 2023, staff has started reviewing cases and preparing violation notices. The first round of notices will be sent out to non-complying sign owners in early March. Staff is also currently working with all sign owners who come forward to bring their signs into compliance with the Town Code and has created an email (signpermits@occoquanva.gov) for such purposes. Staff will keep Town Council updated.
- VDOT TAP Grant Project: In early May, Town received notification that additional funding for • the Transportation Alternatives Set-Aside Program was received through the federal infrastructure bill and that the Ellicott Street Sidewalk (Occoquan Greenway Connection) project was selected. This funding is available for fiscal years 2023-2024 and will be a coordination project with the Town, PWC Transportation and Parks Departments. The project includes trail installation on Union Street to connect a planned off-road trail section of the Occoquan Greenway Trail, sidewalk improvements along Ellicott Street, and construction of a sidewalk section between Poplar Alley and Mill Street along Ellicott Street. The Town Council adopted a resolution of support for the project at its September 21, 2021 meeting. Staff is waiting dates receive start from the County. Updates will be available to at www.occoquanva.gov/construction-updates.
- VDOT Road Paving Update UPDATED: Work concluded the week of July 31, 2022. During the week of February 6th, VDOT implemented a solution to the standing water at Mill Street and Washington Street that met with Prince William County approval. Town staff is waiting on VDOT and its contractor to resolve the remaining item of resurfacing curbs on Mill Street. Staff is still waiting for a response on the resurfacing from VDOT.
- **FY2023 Capital Projects:** Updates on FY2023 capital projects will be available at <u>www.occoquanva.gov/construction-updates</u>.
- **Mill Street Water Issue:** Town staff reinstalled the temporary pipe to direct water from the pipe at 426/430 Mill Street to the Ellicott Street stormwater inlet. The recrowning work completed by VDOT contractors in June along the section of Mill Street near the Ellicott Street intersection did not adequately address the longtime water flow issues in this area. As a result, water is continuing to flow across Mill Street instead of traveling along the curb line to the Ellicott Street inlet. Staff is actively reviewing better temporary solutions as well as permanent solutions. Updates will be available at www.occoquanva.gov/construction-updates.
- **Block the Box UPDATED:** OPD is continuing its Don't Block the Box education and enforcement campaign at the intersection of Rt 123 and Commerce Street to improve compliance and educate drivers. VDOT has installed additional signage on the traffic light arm. Staff will continue to coordinate with VDOT and monitor this issue.
- **DEQ ARPA Wastewater Funds 2022 Appropriation UPDATED:** The Town received through the Department of Environmental Quality (DEQ) up to \$325,000 in ARPA funding for wastewater and stormwater remediation as a result of a funding request made by Mayor Porta in November 2021. Town staff submitted an initial program application on September 28, 2022,

for part of the funding for storm water remediation through sediment removal from the Occoquan River in the areas of 101 Poplar Lane and Mill Street, Gaslight Landing (locations where stormwater has created significant sediment buildup). On November 4, 2022, based on comments and recommendation form DEQ, Town staff submitted a revised application to include other related stormwater projects for the full \$325,000. As part of the DEQ stormwater remediation, Town also obtained an environmental endangered animal study update for the applicable area. The first component, dredging, was completed on January 20, 2023. As of February 24, 2023, the dredging component is completed with the post-dredging bathymetric survey executed and referred to the proper authorities. Staff will now be working with DEQ to fund other stormwater related projects with the remainder of the \$325,000 grant. Staff will provide more information as we move through this process.

- New IT Support Services UPDATED: On January 4, 2023, Digicon took over the Town's IT support services. An initial inventory of Town IT assets has been completed and Digicon will brief Town staff on their initial assessment of Town IT systems on February 7, 2023.
- Fairfax Water Construction UPDATED: The boring project has begun and the contractor has made improvements to the roadway and property to assist traffic flow. Completion of the project is expected by summer of 2024. Boring will commence outside the Fairfax Water pump station on the Fairfax side of the Occoquan River and terminate in the Fairfax Water property on the Prince William side, south of River Mill Park. The Authority will also need to shut down and replace pipes on the south side of the river. Garney Construction was awarded a contract and will be replacing less than 100' of 12" pipe near the wash water site on the south side of the river. There will be a 24-hour shut down for the 12" pipe and up to 21 days for the 24" pipe. 340' of 24" pipe will be going south from the wash water site towards Tanyard Hill Rd. There should not be any effect on water service with the exception of 3 homes on Union/Tanyard Hill (which is expected to be less than 8 hours while they move those homes from the 24" pipe prior to the replacement). Work is set to start on March 8th.
- **Property Maintenance Enforcement UPDATED:** Town staff is working with the Prince William County Neighborhood Services Division, who handles the County's Property Maintenance Code Enforcement, on taking over the review and enforcement of the Town's property maintenance code. At the February 7th meeting, the Town Council passed a resolution requesting the County's takeover of enforcement. The Town is awaiting action by the Prince William Board of Supervisors.
- Zoning Map Amendments UPDATED: On February 7, 2023, Town Council held a public hearing on and approved zoning map amendments to rezone residential (R-1) properties between Commerce Street and Poplar Alley to business (B-1) uses. The Council tabled action on the properties at Myrtle Place and McKenzie Drive until the March 7th meeting. The agenda and draft ordinances are available at: www.occoquanva.gov/government/agendas-and-minutes/
- Arbor Day Tree City Designation NEW: Staff has received notice that the Town has been designated a Tree City by the Arbor Day Foundation. Tree City materials should be received in approximately 2 weeks. Digital materials have been received and will be disseminated shortly.
- **Trowel Garden Club Project NEW:** On February 9 2023, Town staff met with the Trowel Garden Club about landscaping projects at the corner of Commerce and Washington Streets. Town staff has accepted the club's proposal and will work with the landscaping contracting to install a new bed of flowers in mid-April.
- New Wheel Stops in Poplar Lot NEW: After receiving a concern about damage to private fencing adjacent to the town lot, staff installed 8 new wheel stops the week of February 24, 2023.
- Event Sponsorships NEW: The Town is actively soliciting sponsors for its annual events from Riverfest to Trivia Nights. Town staff is working with councilmembers, OBP, Workhouse, and the Chamber of Commerce to host a breakfast on March 14, 2023 for prospective sponsors. If interested, go to <u>visitoccoquanva.com/partnership</u> and read the events section of this report.

Public Safety

Departmental Goals

- Goal 1: Provide for the public safety of the persons and property of the residents, businesses, and visitors of the Town of Occoquan.
- Goal 2: Promote a professional and accountable police department.
- Goal 3: Promote safe roads and sidewalks in the Town of Occoquan.

Mission Statement

The mission of the Occoquan Police Department (OPD) is to: protect the lives and property of our residents, visitors, and businesses; to reduce the incidence and fear of crime; and to enhance the public safety of our historic waterfront community. To that end, we will hire and maintain a professional staff who through education, mentoring, and community policing will maintain a supportive partnership between our community and this Department. We will respect the rights and dignity of all people and always remain approachable and professional.

Current Initiatives

Continued patrol and business coverage in town. Continued community policing and safe sidewalks. Continued speed enforcement on Route 123, Washington Street, and Union Street/Tanyard Hill Road. Continued DMV selective enforcement grants to address impaired driving, reduce accidents, and increase pedestrian safety. Level 2 Auxiliary Police Academy continues and is expected to finish in April 2023. Business check notification continued with officers leaving property check stickers on businesses checked after hours.

Community Relations

Engaged in foot patrols throughout historic district and Town riverwalk. Under the new Business Property Check initiative, officers made 151 businesses checks during the month. Officers spoke with business owners and residents throughout the month.

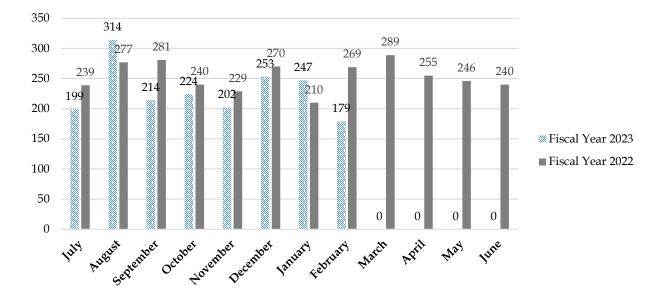

As part of a new initiative, the police department's Professional Standards Division is releasing monthly complaint reporting. For the month of January, there were 2 complaints received against officers.

Officers received legal update training through a mutual agreement with George Mason University Police Department. Officers also engaged in in-house training taught at local police firearms facility.

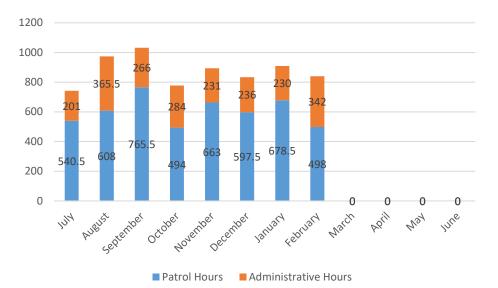

Patrol and Enforcement Activities

In the month of February, the Town Police made 151 business checks and 152 park checks. The Town Police also had 92 calls for service, with 18 suspicious person/vehicle/circumstance calls, 12 vehicle crashes, 10 disabled vehicles/motorist assist calls, 6 medical/mental health calls, 5 drunk in public, 3 alarm calls, 3 disorderly in progress calls, 2 fight in progress calls, 2 trespassing calls, 2 assault & battery arrests, 1 lost/found property call, 1 roadway obstruction call, 1 missing person calls, 1 burglary in progress call, 1 missing person call, 1 traffic control call, 1 welfare check call, 1 destruction of property call, multiple service/assist calls, and made 2 custodial arrests, issued 179 traffic summonses, 31 parking violations, and 44 warnings.

This networking event runs 9:00 am to 10:30 am at Town Hall and is free, but registration is required. Registrants may sign up at visitoccoquanva.com/partnership to attend. To learn more about our new programs, see <u>visitoccoquanva.com/sponsor</u> and <u>visitoccoquanva.com/advertise</u>.
- **Planning for 2023:** Staff's primary focus continues to be planning for this year's RiverFest, scheduled for June 3 and 4, 2023. The Occoquan Business Partners and Town staff will continue to partner on major tourism events for 2023.
- **Peep Week, April 4-8**: Visitors may stroll through historic Occoquan and vote for their favorite Peeps dioramas, made by and displayed at Occoquan businesses. For the 6th year, the community is invited to participate. Voters may enter to win \$100 in Occoquan gift cards. Community registrants may enter in one of four categories: Individual, Family/Team, Youth (ages 12-16), Kids (12 and under). Entries may be dropped off at Town Hall by April 3, 2023. Visitors will vote on these and the business-made dioramas throughout Peep Week, April 4-8. More information, including rules and registration for the community entries can be found at visitoccoquanva.com/peeps
- **FOTO Clean Up:** This spring's Friends of the Occoquan River Clean Up is April 15 from 9 am to 12 noon. Volunteers will meet at Town Hall to collect supplies.
- **Military Tribute Banners:** Beginning in March 2023 residents, businesses, friends, and visitors to Occoquan can once again sign up to sponsor a banner honoring a U.S. military veteran. This successful and popular program is a partnership between the Town and VFW Post 7916. Sponsors interested in honoring family members, ancestors, or a friend for their military service, visit militarytributebanners.org and select Virginia/Occoquan under the Banner Programs menu; or, stop by Town Hall or VFW Post 7916 for more information. Banners are on display throughout the historic district from Memorial Day through Veterans Day.
- **Visit Occoquan:** Town staff is working with current leadership of the Occoquan Business Partners to develop Visit Occoquan into a non-profit, Virginia Mainstreet affiliate, to focus on tourism and economic development in the town. Planning for the non-profit is underway with a goal to be functional by the beginning of FY24.
