TOWN COUNCIL

Earnest W. Porta, Jr., Mayor Jenn Loges, Vice Mayor Cindy Fithian Eliot Perkins Nancy Freeborne Brinton Theo Daubresse

TOWN MANAGER Adam C. Linn, J.D.

TO: The Honorable Mayor and Town Council

FROM: Adam C. Linn, Town Manager

DATE: May 2, 2023

SUBJECT: Administrative Report

This is a monthly report to the Town Council that provides general information on departmental activities including administration, public safety, engineering, zoning and building, public works and events.

Administration

Coronavirus Updates: As of the date of this report, Prince William County's COVID-19 community level is LOW. This is based on the revised guidance issued by CDC in February 2022 on how localities can assess COVID-19 related risk within their communities. The optional masking policy remains in place for town facilities: masking is optional for fully vaccinated individuals; unvaccinated and high-risk individuals should continue to wear masks in public indoor spaces. Staff continues to closely monitor information from the CDC and local health and government authorities to guide decisions about Town activities and policies.

ARPA (SLFRF) Update: The Town Council approved the Town's SLFRF Spending Plan during their July 19, 2022 meeting. The Spending Plan is available on the Town's website at www.occoquanva.gov/american-rescue-plan-act. An update and review of the Spending Plan occured at the March 7, 2023, Town Council Meeting. The revised plan will be integrated into the FY24 Capital Improvements Program Budget, to be approved at the May 16, 2023 Town Council Meeting. As such, in FY24, Town staff will continue to update the Town Council on the SLFRF funded projects and solicit feedback but will no longer be seeking any approvals or appropriations of funds, unless changes are required.

SLFRF Spending Plan Projects - UPDATED:

Community Flood Preparedness Fund Grant Request: In April 2022, town staff prepared and submitted a grant application for the third round of the Virginia Community Flood Preparedness Fund administered by the Virginia Department of Conservation and Recreation (DCR). The grant request will fund the development of a Resilient Stormwater and Flood Management and Implementation Study. The study will evaluate the Town's stormwater and flood resilience and ultimately result in an actionable plan that when implemented, increase the town's overall resiliency and response to the impacts of climate change within the community and region. In January 2023, town staff received notification that the grant was awarded in the amount of \$84,902.50 with a total project cost of \$169,805 and a required match of 50% by the Town. Staff has received the grant award documents and started work with the contractor, Weston & Sampson.

<u>Riverwalk Expansion Project:</u> At the September 20, 2022, meeting, Town Council set a not-to-exceed amount of \$41,000 SLFRF funding to support the Planning Commission on its Riverwalk Visioning

process. With the approval of Town Council, Town staff secured a contract with the Berkley Group. The Group has created an existing conditions map and started on the master vision plan process. Town staff will review a draft plan in May and hold a public input meeting on June 15th from 5-7 pm at Town Hall.

<u>River Mill Playground and Picnic Area:</u> Town staff is currently exploring equipment options that include soft play features with animals and nature-themed objects made out of sculpted and hardened foam. Staff will give updates as the search progresses.

<u>Town Signage Updates:</u> Town staff has chosen a vendor for two welcome signs, a wayfinder at Mamie Davis Park, and an events kiosk at River Mill Park. Staff has reviewed the designs with the Architectural Review Board and is currently finalizing costs and designs with the vendor Town staff is also finalizing new welcome signs for the Town's corporate limits with VDOT. Part of the funding for these updates will also go towards a mural contest in May and June. For more information see the mural item at the end of this section

<u>Gaslight Conversion:</u> As a result of the overwhelming cost of electrifying the gaslights and inconsistency in performance of solar replacement heads, staff is ordering direct gas flame heads to be installed on all gas lights in Town. Installation is expected to occur in May. Town staff is proposing to donate one of the test solar street light heads to address the light issue at West Locust Street. The new direct flames will lower maintenance costs and save staff time. Over the long term, staff will continue to monitor advances in solar technology and advise Town Council of viable solutions. However, due to greater feasibility, gaslights in Mamie Davis Park will be fully electrified in May 2023.

<u>Town Hall Energy and Ventilation Upgrades:</u> On April 15, 2023, Window Nation replaced the windows and front door of Town Hall with more energy efficient models (Low E, double-paned windows) that will reduce energy consumption and increase security. Town staff is also working with a local contractor to replace the lights in Council Chambers with brighter, LED options.

<u>Stormwater Improvements:</u> On March 17th Town staff submitted an application to Congressperson Spanberger's office for the FY2023 Community Project Funding Program to fund remediation to the Town's stormwater system. Staff does not expect any updates on funding until Fall 2023.

Route 123 and Commerce Street Mural: Using funds for town signage and beautification, Town staff will be holding a mural design contest for a mural to be painted on the retaining wall at the intersection of Route 123 (Gordon Boulevard) and Commerce Street. The Town encourages local artists to apply starting in May. For more information, please visit www.occoquanva.gov/public-art.

<u>Other Projects:</u> Town staff is actively working on estimates for further SLFRF funded projects that will be incorporated in the FY24 CIP Budget.

Development Project Updates - UPDATED:

The Mill at Occoquan: The Mill at Occoquan project's site plan has been submitted and first round comments have been sent to the applicant. Approval of the floodplain study was provided by FEMA on November 4, 2022. The developer is currently starting the demolition permitting process. The Town has entered a Memorandum of Understanding with the applicant to place non-verbiage public art in front of the site to replace the old deteriorating public art banners. Signage on the property was installed in April.

<u>The Mill Street Beer Garden</u>: The developer has received a revised site plan approval and has completed the bond release process with the Town. The developer is currently finalizing occupancy with the County. No specific opening date has been provided.

More information on both projects can be found in the Engineering Section.

Signage Education - UPDATED: As part of zoning enforcement, staff has developed a handout

highlighting the Town's sign ordinance, and mailed out a letter of renewed enforcement to all business and property owners in the business district.. As of April 28, 2023, staff is reviewing cases and preparing violation notices. The first round of notices was sent out to non-complying sign owners in mid-March. To review your current signage and ask any questions please email signapermits@occoquanva.gov. Staff will keep Town Council updated.

VDOT TAP Grant Project: In early May, Town received notification that additional funding for the Transportation Alternatives Set-Aside Program was received through the federal infrastructure bill and that the Ellicott Street Sidewalk (Occoquan Greenway Connection) project was selected. This funding is available for fiscal years 2023-2024 and will be a coordination project with the Town, PWC Transportation and Parks Departments. The project includes trail installation on Union Street to connect a planned off-road trail section of the Occoquan Greenway Trail, sidewalk improvements along Ellicott Street, and construction of a sidewalk section between Poplar Alley and Mill Street along Ellicott Street. The Town Council adopted a resolution of support for the project at its September 21, 2021 meeting. Staff is waiting to receive start dates from the County. Updates will be available at www.occoquanva.gov/construction-updates.

VDOT Road Paving Update: Work concluded the week of July 31, 2022. During the week of February 6th, VDOT implemented a solution to the standing water at Mill Street and Washington Street that met with Prince William County approval. Town staff is waiting on VDOT and its contractor to resolve the remaining item of resurfacing curbs on Mill Street. Staff is still waiting for a response on the resurfacing from VDOT.

FY2023 Capital Projects: Updates on FY2023 capital projects will be available at www.occoquanva.gov/construction-updates.

Mill Street Water Issue: Town staff reinstalled the temporary pipe to direct water from the pipe at 426/430 Mill Street to the Ellicott Street stormwater inlet. The recrowning work completed by VDOT contractors in June along the section of Mill Street near the Ellicott Street intersection did not adequately address the longtime water flow issues in this area. As a result, water is continuing to flow across Mill Street instead of traveling along the curb line to the Ellicott Street inlet. Town staff is actively reviewing better temporary solutions as well as permanent solutions. Updates will be available at www.occoquanva.gov/construction-updates.

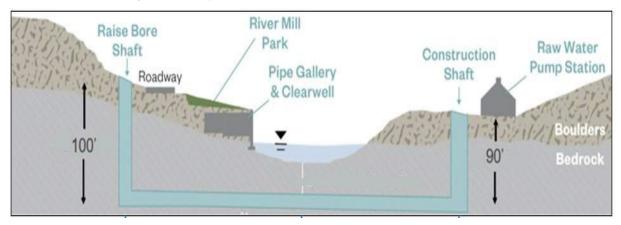

Block the Box: OPD is continuing its Don't Block the Box education and enforcement campaign during high traffic times at the intersection of Rt 123 and Commerce Street to improve compliance and educate drivers. Staff will continue to coordinate with VDOT and monitor this issue.

DEQ ARPA Wastewater Funds 2022 Appropriation - UPDATED: The Town received through the Department of Environmental Quality (DEQ) up to \$325,000 in ARPA funding for wastewater and stormwater remediation as a result of a funding request made by Mayor Porta in November 2021. Town staff submitted an initial program application on September 28, 2022, for part of the funding for storm water remediation through sediment removal from the Occoquan River in the areas of 101 Poplar Lane and Mill Street, Gaslight Landing (locations where stormwater has created significant sediment buildup). On November 4, 2022, Town staff submitted a revised application to include other related stormwater projects for the full \$325,000. As part of the DEQ stormwater remediation, Town also obtained an environmental endangered animal study update for the applicable area. The first component, dredging, was completed as of February 24, 2023. Staff is now working with DEQ to fund other stormwater related projects with the remainder of the \$325,000 grant and is seeking quotes from potential contractors. Staff will meet with DEQ in May to finalize the reimbursement of the first component and will provide updates as we move through this process.

Fairfax Water Construction - UPDATED: The boring project has begun, and the contractor has made improvements to the roadway and property to assist traffic flow. Completion of the project is expected

by summer of 2024. Boring commenced outside the Fairfax Water pump station on the Fairfax side of the Occoquan River and work to prepare for rerouting of water during shut downs on the Prince William side is underway. The contractor began blasting on April 26th and continued blasting events are expected over the next several months. Short periods (approximately 15-20 minutes) of closure of the access road to the raw water pump station, foot bridge, and River Mill Park are expected to occur during the period of blasting. The blasting is minimal, with minimal disruption to Town. Staff is working with Fairfax Water Authority's project manager to provide notice to residents and visitors. To stay up to date on blastings, please sign up for AlertOccoquan at: www.occoquanva.gov/living-here/alertoccoquan/

Below is a rendering of the project:

Property Maintenance Enforcement: Town staff is working with the Prince William County Neighborhood Services Division, who handles the County's Property Maintenance Code Enforcement, on taking over the review and enforcement of the Town's property maintenance code. At the February 7th meeting, the Town Council passed a resolution requesting the County's takeover of enforcement. The Town is awaiting action by the Prince William Board of Supervisors. Staff has been advised that the County Board of Supervisors will address the matter at a May meeting.

Trowel Garden Club Project - UPDATED: On February 9 2023, Town staff met with the Trowel Garden Club about landscaping projects at the corner of Commerce and Washington Streets. Town staff accepted the club's proposal and the new plantings were installed at the corner of Washington and Commerce Streets on April 26th.

FY24 Annual Budget and Tax Rates Public Hearings - NEW: At their April 4th meeting, the Town Council set public hearing dates for the Proposed FY24 Annual Budget and the proposed tax rates to support the FY24 Annual Budget. The budget hearing will take place at 7 pm on May 2, 2023, at the Occoquan Town Hall. The tax rate hearing will take place at 7 pm on May 16, 2023, at the Occoquan Town Hall. Immediately following the May 16th hearing, the Town Council may take action to approve the budget and tax rates.

Post Office Structural Damage - NEW: On April 14, 2023, the Occoquan Post Office sustained structural damage due to a vehicle crash. Town staff has provided assistance to the Post Office and set up temporary barricades around the accident site. Staff will continue to coordinate with the County Building Official, USPS, and the property owner as necessary and provide Town Council updates as the situation progresses.

Parking Facility RFI: On April 12, 2023, Town staff closed the RFI for a multilevel parking facility. Town staff received and reviewed a number of responses and is working with Town Council and respondents as it plans next steps.

Building Official

The Building Official monthly report provided by Prince William County for the month of April is attached.

Public Safety

Mission:

The mission of the Occoquan Police Department (OPD) is to: protect the lives and property of our residents, visitors, and businesses; to reduce the incidence and fear of crime; and to enhance the public safety of our historic waterfront community. To that end, we will hire and maintain a professional staff who through education, mentoring, and community policing will maintain a supportive partnership between our community and this Department. We will respect the rights and dignity of all people and always remain approachable and professional.

Monthly Departmental Goals:

- Goal 1: Provide for the public safety of the persons and property of the residents, businesses, and visitors of the Town of Occoquan.
- Goal 2: Promote a professional and accountable police department.
- Goal 3: Promote safe pedestrian and vehicular traffic within the Town of Occoquan.
- Goal 4: Prepare for and respond to all threats and hazards facing the Town of Occoquan.

OPD Division Reports:

Professional Standards Division

The Professional Standards Division (PSD) is responsible for internal affair investigations, criminal investigations, and background investigations. Additionally, the OPD Training Unit is housed within the PSD and is responsible for identifying training needs, designing, and implementing training for OPD Officers.

The OPD did not receive any complaints against officers within the Department. This is a new statistic begin tracked and a monthly breakdown will begin to be reported as additional information is gathered.

The OPD continued to participate in George Mason University's (GMU) monthly legal training for Law Enforcement Officers within the Northern Virginia Region. This month Officers participated in the GMU monthly Unmanned Arial System (UAS) training improving skillsets of OPD UAS pilots.

The OPD is beginning to wrap up our Level II Auxiliary Police Academy for 5 recruits. Graduation from the academy will take place Wednesday May 24^{th.}

Field Operations Division

The Field Operations Division (FOD) is responsible for day-to-day operations throughout the Town.

Officers engaged in foot patrols throughout the residential district, historic district, and the Town

Riverwalk. Under the new Business Property Check initiative, as of April 24th, officers made 115 businesses checks during the month. Officers were available during two events at the Occoquan Peace Center (Mosque) providing a security presence.

Officers continued enhanced speed enforcement on Route 123, Washington Street, and Union Street/Tanyard Hill Road to continue to reduce crashes and promote safe vehicular and pedestrian traffic movement.

Officers continued to use DMV Grant enforcement monies to reduce crashes and promote safe vehicular and pedestrian traffic movement within the Town as well as in support of safer roads within Fairfax and Prince William Counties that connect or are adjacent to the Town.

Special Operations Division

The Special Operations Division (SOD) consists of OPD Officers who have a dual role within the FOD. The SOD is made up of Auxiliary Patrol Officers, Parking Enforcement Officers, the Homeland Security and Emergency Management Unit, Marine Patrol Unit, Bicycle Patrol Unit and UTV Patrol Unit.

The OPD participated in the quarterly PWC Hazard Mitigation planning session. Additionally, the OPD participated in the Northern Virginia Emergency Response (NVERS) UAS, Intelligence, and Hight Threat Response committees.

The OPD continues to work closely with Fairfax Water Authority staff on the new pipe river crossing project ensuring that plans are in place for safety and security during the blasting operations.

This month the OPD Marine Unit began staffing busy weekends on the river. Additional statistics are being captured to show types and volume of calls for service on the river.

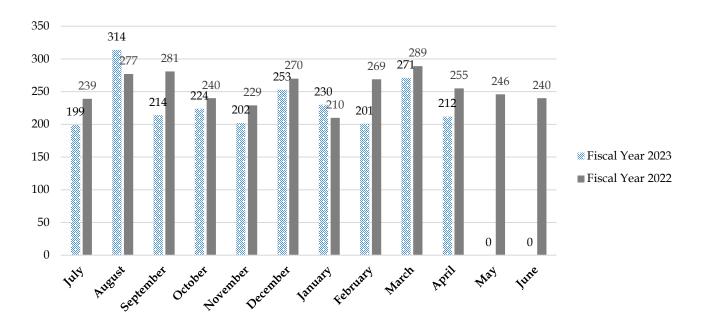

The OPD has begun working with new technologies to aid in safety and security measures during the Towns special events.

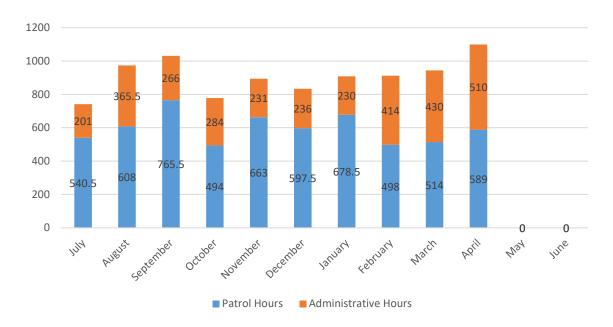

Patrol and Enforcement Activities:

As of April 24th, the Town Police made 115 business checks and 146 park checks. The Town Police also had 119 calls for service, with 25 trespassing calls, 17 illegal fishing call, 14 suspicious person/vehicle/circumstance calls, 10 disabled vehicles/motorist assist calls, 8 medical/mental health calls, 6 vehicle crashes, 5 disorderly calls, 3 DUI arrests, 2 parking complaints/towing calls, 2 welfare check calls, 2 theft calls, 2 roadway obstruction call, 2 animal calls, 1 urinating in public call, 1 domestic in progress call, 1 lost/found property call, 1 traffic control call, 1 drug complaint call, 1 drunk in public call, 1 alarm call, 1 down line call, 1 noise complaint call, 1 warrant service, multiple service/assist calls, and made 3 custodial arrests, issued 212 traffic summonses, 127 parking violations, and 22 warnings.

Events and Community Development

Visit Occoquan: Town staff is working with current leadership of the Occoquan Business Partners to develop Visit Occoquan into a non-profit, Virginia Mainstreet affiliate to focus on tourism and economic development in the town. Planning for the non-profit is underway with a goal to be functional by the beginning of FY24. Staff is currently working on submitting a grant through VMS.

RiverFest 2023: Planning continues for an enhanced festival event on June 3 and 4, 2023. Initial plans include 200+ artist and creator booths; new food options; Conservation Alley with many conservation-focused vendors, our Junior Passport program and other family-friendly nature programs; a beer and wine garden and concerts in River Mill Park; and the Whatever Floats Your Boat Parade on the river on Sunday. Other initiatives will depend on external funding or in-kind sponsorships.

Volunteers are still needed for these areas: Shuttle Stop Team, Conservation Alley Support, Vendor Assistance, and Set Up and Breakdown. Volunteers will receive training for their duties, a RiverFest tshirt, and a lunch voucher as a thank you.

Volunteers can read about job specifics and sign up online at this link: form.jotform.com/230796337295063.

Music on Mill: Our summer concert series begins May 20. Bands perform once monthly from 7-9 pm in River Mill Park. More information is at www.visitoccoquanva.com/music.

Town Attorney Report

To: Mayor and Council, Town of Occoquan

Thru: Adam Linn, Town Manager

From: Martin Crim, Town Attorney

Re: May 2023 Town Attorney Report

Date: April 27, 2023

NOT CONFIDENTIAL

This is a report on non-confidential matters that my office has been working on for the Town since my previous report dated March 30, 2023:

- 1. Advised staff as to various proposals for ordinance amendments (noise, business license tax, zoning).
- 2. Advised staff as to the notice requirements for budgeting and appropriating funds.
- 3. Advised staff regarding the process for judging the mural contest.
- 4. Researched and advised staff regarding the staircase at Barrington Point.
